Freedom Club News

Welcome to 2025! As we step into this year, let's look forward with optimism for what's to come, knowing that each day holds potential for growth, joy, and new beginnings!

Freedom Club is planning many exciting opportunities for travel! Our Ladies Weekend will kick off our trips in May, where we'll be heading to Junkstock in Omaha. This will be a new adventure for us, featuring vintage antiques, handmade goods, and "junk" vendors. It's the perfect opportunity to find that one-of-a-kind treasure for your home or reminisce of days gone by or enjoy the food vendors, refreshments, and friendship. In the evening "Escape to Margaritaville" will set the stage for Jimmy Buffet's classic tunes and get us all in the mood for the summer ahead. We can't wait to share this fun weekend with you!

July 14-18 we have a trip planned to Duluth, MN. We will travel North for 5 days and 4 nights. Duluth offers an escape from the stresses of life. When you come to Duluth you will understand what makes it special. Duluth is a true original along the pristine shores of Lake Superior, North Shore scenic drive, Glensheen Mansion, and Two Harbors.

Back by popular demand, we are going to Target Field in Minneapolis August 21. We will spend a day watching the Twins vs. the Athletics. So, get ready to wear your favorite Twins apparel and join one of America's favorite past times at the ballpark. Included will be a nice sit-down dinner before going home.

Our longest, and most exciting trip this year will be in September. We leave September 19 for 11 days and 10 nights to Vermont, New Hampshire, and Maine. This trip is full of many historical points of interest and fun you won't want to miss. We are hoping the fall will be in full bloom with beautiful colors along the way!

Our trips are filling up! Don't miss your opportunity to travel the best way possible, where we take care of all the details! We have more information on the following pages about each trip. We look forward to serving you and having some fun with our Freedom Club members in 2025. Contact Audra or Denise soon!!

This summer, we invite you to join us on an unforgettable journey to Duluth, MN—one of the most picturesque destinations along the North Shore. Our adventure is packed with exciting stops and experiences. We will start with a scenic ride on the North Shore Train. This fully narrated tour tells the history of Duluth, the harbor, and stories of the railroads that built northern Minnesota and Wisconsin.

Then, we'll step back in time at the magnificent Glensheen Mansion, the historic estate of Chester and Clara Congdon, surrounded by stunning gardens and lake views. This influential family is known for opening up iron mining in this region and setting land aside for public use.

On the chartered Vista Fleet Dinner Cruise, we will be guided to some of the most iconic landmarks such as: The Aerial Lift Bridge, Historic Canal Park, The Blatnik Bridge, The Bong Bridge, Midwest Terminal, CN Taconite Docks, etc.

Of course, no trip to Duluth would be complete without visiting North Pier Lighthouse on the northern breakwater. You can get a good view with all three lighthouses from the waterfront of Canal Park. We'll also venture further along the North Shore to discover Two Harbors, Split Rock Lighthouse and enjoy Gooseberry Falls.

Fall in Vermont, New Hampshire, and Maine is the perfect time to explore the beauty of New England, and late September is an ideal window for the stunning fall foliage. We are excited to share this unforgettable experience! Here are a few highlights of our trip:

The birthplace and boyhood home of Calvin Coolidge, the 30th US President, feels like stepping back in time, with preserved buildings, including a cheese factory and general store.

Known as the “Gateway to the White Mountains,” the historic Bath Covered Bridge, built in 1832, is one of the oldest in New Hampshire. It spans the Ammonoosuc River and offers a perfect photo opportunity!!

Chutter’s General Store is a local, authentic general store where you can find nostalgic goods, unique gifts, and perhaps some tasty regional treats like maple candy or homemade fudge.

Dock Square is a delightful area in Kennebunkport, Maine, with boutique shops, galleries, and cozy cafes; perfect for wandering and picking up local souvenirs or enjoying a lobster roll by the water.

Portland Headlight located in Cape Elizabeth, is an iconic lighthouse that offers breathtaking views of the Atlantic Ocean. It’s one of the most photographed lighthouses in the world and it’s history dates back to 1791.

Woodstock, Vermont is often called one of the prettiest towns in America. Woodstock has a picture-perfect village with covered bridges and more shops. You will love the small-town charm, especially with the autumn colors framing every view.

It is recommended to pack layers as it can be cool in the mornings and evenings but warm in the afternoons. This trip is a perfect mix of quaint, historic, and scenic stops. Don’t forget your camera to soak up all the moments. We are filling up, so contact us today!!
